**REQUEST UNDER 37 CFR 1.137(b) FOR REVIVAL OF AN  
UNINTENTIONALLY ABANDONED PATENT APPLICATION**

Dear Sir:

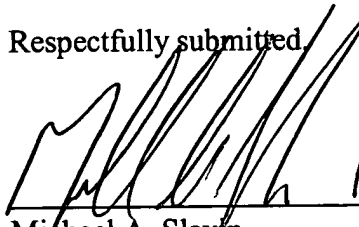

Applicant respectfully requests that the above-identified application is reinstated. The application was unintentionally abandoned for a miscalculation of the National fee.

Applicant paid a filing fee of \$355.00, which is the filing fee for a U.S. based application. However, the application was based on an international application and through clerical error the applicant did not include the surcharge required for a small entity, whose International Search Report was conducted by the European Patent Office.

Applicant was first made aware of the insufficient fee through a notification of abandonment having a mailing date of September 30, 2002. Upon receipt Applicant has checked its records and agrees that the incorrect fee was paid as the International Search Report was conducted by the European Patent Office; the appropriate fee should have been \$430.00.

The Applicant respectfully requests that the application is reinstated and the fees associated for the reinstatement is charged to the attorney deposit account number 13-0439.

Respectfully submitted,
